

Science – Year 1/2B Autumn 2

Seasonal Changes

Weather Art

Session 1

Resource Pack

Images and art ideas for the autumn season

There are lots of browns and greens in the autumn. Leaves fall off trees. It is often windy.

Lots of different foods are harvested in the autumn

**What does the autumn season
remind you of?**

Can you add it to your collage?

Images and art ideas for the winter season

There are lots of whites, greys and blues in the winter. Sometimes it snows!

What will you do on your winter collage?

Images and art ideas for the spring season

There are lots of greens,
yellows and new things
growing in spring. It can be
sunny but sometimes it rains a
lot!

Images and art ideas for the summer season

There are lots of colourful flowers in the summer.

Lots of different fruits and vegetables grow in the summer.

**Lots of people go to the
seaside when the sun
comes out in the summer.**

In the summer, people sometimes play in fountains to keep cool. Friends sit outside and lots of people have barbeques.
