

Here are a range of activities you could do at home, which relate to the topics being taught at school.

Can you create a painting/picture using different materials to represent the four seasons?

- Describe what colours you see in each of the seasons
- What is the climate like?
- Which season are we currently in?

Can you create a car for Mr Gumpy?

- What will he need?
- How can you make sure all the other characters fit into the car?
- Will his car get stuck in mud?
- Can you write instructions, explaining how to make the car?

Can you create a house for the Three Little Pigs?

- Which materials would be best?
- What will happen if you use paper to build the house?
- Is your house waterproof?

Can you create a model of the Earth and locate the UK?

- How many continents must you include?
- Can you label all the continents?
- Can you label some countries?
